Elliot,

MnDOT has a HSIP funded project currently scheduled for construction in 2026. MnDOT is coordinating with Olmsted County staff and there have been discussions with Olmsted County about having them be the project lead and construct a project in 2025. They are interested, but the details haven't been finalized up.

For more information and future questions you may reach out to Tom Austin, MnDOT Project Manager, at tom.austin@state.mn.us

Thank you for reaching out to MnDOT.

Thanks,

Tracy Schnell
