Ken,

Thank you for the opportunity to provide you with a quote on the pavement maintenance needs for your project. I am confident that you will find both the products used and the workmanship of our crew of the highest quality. I would like to explain our service procedure in addition to giving you a price quotation.

Price Quotation includes all equipment, labor and taxes to complete the project

Please note: The Customer is responsible for notifying the public that we will be working in your area. Pavement maintenance can be extremely dusty and dirty work and we strongly encourage the public to keep their Personal property at a strong distance away from our work zone. This will avoid any possible concerns for dust, debris or damage. A recommended distance would be 75 – 150 feet away from the work zone. An Insurance Certificate is available upon request.
