

ORONOCO TOWNSHIP RESOLUTION TO CLOSE 125TH STREET FOR THE WINTER

WHEREAS, the town board maintains a number of miles of roads within the township;
WHEREAS, the types and levels of uses are not uniform among these roads;
WHEREAS, the board determines that some roads are used only occasionally or intermittently and are not needed for vehicular traffic during winter months;

WHEREAS, keeping these roads snowplowed and opened during the winter would be an unwarranted drain on the township's limited road maintenance budget;

WHEREAS, in some cases the topography of the land or the drifting patterns of the snow would make it extremely difficult to keep the roads reasonably free of snow;
WHEREAS, Minn. Stat. § 164.152 authorizes towns to close and barricade town roads under their jurisdiction;

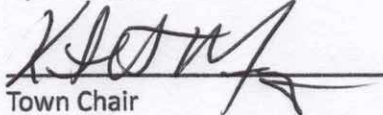

NOW, THEREFORE, BE IT RESOLVED, that the town board of __Oronoco__ Township,
__Olmsted__ County, Minnesota does hereby close the following roads or road segments:

BE IT FURTHER RESOLVED, that barricades shall be erected, by Schumacher Excavating, on the roads or road segment along
with appropriate road closed signs.

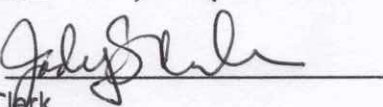

BE IT FINALLY RESOLVED, that the closures shall remain in effect until the town board orders the removal of the barricades, by Schumacher Excavating, and the road is reopened.

Adopted this __14__ day of __October__, 2024 __.

By the Board

Town Chair

Attest:

Town Clerk
