**V. Approval of Meeting Minutes**

The meeting minutes from the October 20, 2025, meeting were discussed. Motion for approval of the minutes as submitted was offered by Mr Rucker, seconded by Ms Collins. Motion carried.

**VI. TCPA Update**

None

**VII. Public Hearings**

- a) None

**VIII. Old Business**

- a) RCO Update – Chair Collins reviewed the current status of the meetings being worked to continue the RCO process. Currently Kristi Trisko is trying to schedule a meeting with County Planning Staff to discuss actual text changes that will address the County's concerns.

Ms Smith talked about the four concerns that County has. We discussed the possibility of just doing the RCO across the entire Township and therefore removing the County's question of why 2500'. The County's concern of creating additional non-conforming lots can easily be addressed by adding language that says any property that is currently a buildable lot, will remain a buildable lot. We then discussed the shoreland area and whether we should consider adopting our own or creating a "donut" and removing our RCO from covering that area. Ms Smith will contact Nicole Lehman at the DNR regarding this, and Chair Collins will contact Bob Ruppe to discuss legal options.

**IX. New Business**

- a) None

**X. Discussion Items**

- a) Stormwater Management – Chair Collins commented the Mr Geerde has taken over the Stormwater Management Plan. Mr Geerde talked about the information that has been gathered so far and after some discussion, it was agreed that he should focus on the plan from the City of Plainview and what, if anything, we think should be changed.
- b) Ms Koenig distributed handouts of where she is at with possible ordinances regarding 1) Manufactured Home Lot Rent Stabilization and 2) Authority to Plan: Funds, Fees, Penalties, and Violations. Everyone should read through her handouts, and we will put this on the agenda after the first of the year.

**XI. Open Forum**

Ken Angst, 622 Frederichs Drive, had a question about an outlot in the River Ridge #1 development. After a brief discussion, it was agreed that they should work with TCPA to see if any permits have been pulled and they may have to engage legal advice.

**XII. As May Be Brought Up by Members**

Chair Collins brought up the December OTPAC meeting. Everyone was in agreement that unless we are notified from TCPA that we need to address an application, we will cancel the meeting.

**XIII. Adjournment**

Motion for adjournment was offered by Mr Rucker, seconded by Ms Smith. Motion carried. Meeting was adjourned at 7:30 PM.

Respectfully submitted,

Paige Collins
