To: Oronoco Town Board
Mark Kuehn

Re: Metes and Bounds Subdivision - Section 21

Permit: OTMB-26-02

Meeting: Agenda item Monday, April 13th, 2026, after 5:30 pm
Oronoco Town Hall
115 2nd St NW, Oronoco, MN 55960

Applicant: Mark Kuehn, 10426 28th Avenue NW, Oronoco, MN 55960

Owner: Bremer Trust, 400 2nd Street S, Saint Cloud, MN 56301

Request: The applicant is seeking to split off 2+ acres from the original 155 +/- acre parcel to create a Non-Farm lot.

Location: Parcel # 842123079446
3501 100th Street NW, Oronoco, MN
The proposed parcel is 0.3 miles east of the intersection of Minnesota Ave S and located on the north side of the road at the existing outbuilding.

Zoning: A-2; (Agricultural Protection District)

Attachments:

1. Application Form
2. Property Exhibits

Applicable Sections of the Oronoco Township Zoning Ordinance:

Section 1.26 BUILDABLE LOTS:

A lot that meets the Board of Health regulations and fulfills the criteria specified in one of the following subsections (A) or (B) is a buildable lot. All other lots, including illegally created lots, shall not be considered buildable lots and no building shall be constructed or placed upon such lots.

A . Buildable Lots for Uses Other than Dwellings: (These other uses would include agricultural uses such as barns and other agricultural buildings but would not include a dwelling.)

Lots of record or newly created lots that meet the lot area, lot width and access requirements of this ordinance. Any newly created lot which does not meet the standards for non-farm dwellings in the zoning district where such lot is located, or the standards for farmstead dwellings, shall be designated as an (N.B.) NonBuildable Lot for Dwelling Purposes on the Official Zoning Map.

Non-conforming lots of record, providing that such lot has recorded access to a public road and the proposed building complies with the regulations in Section 1.28 (B).

Buildable Lots for a Dwelling Are:

1. A lot that qualifies as a farm.
2. Lots created after the effective date of this ordinance which meet the lot area, lot width, access requirements and either the standards for non-farm lots or dwellings in the zoning district where such lot is located or the standards for farmstead dwellings.
3. Lots of record, providing that such a lot has recorded access to a public road and the proposed building complies with the regulation of Section 1.28 (B).
4. If in a group of two or more contiguous lots under the same ownership, any individual lot does not meet the zoning district lot area, width, or access standards of the zoning district where located, the lots must not be considered as separate parcel of land for purposes of development. The lots must be combined with one or more contiguous lots so they equal one or more parcels of land, each meeting the lot area, width, or access standards to the extent possible.
5. A lot must comply with all standards of the floodplain provisions of the zoning and subdivision ordinances.

Non-farm Lots in Agricultural Districts:

This section of the ordinance applies only to the A-1, A-2, A-3, and A-4 districts of the zoning ordinance. A lot, as defined in the ordinance, recorded on a single deed is deemed to be a single lot for zoning purposes. If a lot on a single deed is divided by a public right-of-way, thereby creating one or more non-farm sized tracts of land, the property owner must submit an application for a Metes and Bounds subdivision to create a buildable lot for a dwelling. The metes and bounds subdivision must be approved using the provisions 1) Standards for a Non-farm Dwelling under the applicable zoning district, 2) the requirements of Section 1.26 B, and 3) the applicable zoning district General Regulations.

Section 5.02 A-2 AGRICULTURAL PROTECTION DISTRICT:

The purpose of this district is to maintain, conserve and enhance agricultural lands which are historically valuable for crop production, pasture land, and natural habitat for plant and animal life. This district is intended to encourage long term agricultural uses and preserve prime agricultural farmland by restricting the location and density of nonfarm dwellings and other non farm land uses. The A 2 District does provide a slightly higher density of non-farm dwellings than the A 1 District and is intended to apply to those areas within the comprehensive Plan's "Agricultural Protection Area" and "Agricultural Area" where major agricultural investments, large farms and feedlots are more scattered and greater numbers on non-farm uses or small parcels are present. The definition of a farm for this district is "a lot used for agricultural or horticultural uses and comprised of at least thirty five (35) acres".

A. Permitted Uses:

1. Uses permitted in Section 5.00 (A) Permitted Uses, of A-1 Agricultural District. The definition of a farm for this district is "a lot used for agricultural or horticultural uses and (1) comprised of at least thirty five (35) acres, or (2) comprised of at least an undivided quarter-quarter section, less no more than five acres, including the abutting public road right-of-way to the centerline. However, if the right of way is owned by the road authority in fee simple, then the abutting public right-of-way shall not be included in determining parcel area."

C. Standards for Non-Farm Lots or Dwellings:

Non farm lots or dwellings shall be permitted only when they comply with all of the following standards:

1. No more than one non farm lot per quarter-quarter section. Should a quarter-quarter section contain a buildable non farm lot, no additional dwelling shall be permitted.

2. Any non farm lot shall contain at least one (1) acre of non prime agricultural soils with a crop equivalent rating of 55 or less. When a dwelling, which is not a mobile home, existed in its present location prior to April 16, 1983, this standard shall not apply.
3. No non farm dwelling shall be permitted in areas identified as wetlands or flood plain.
4. No non farm dwelling shall be located within one-fourth (1/4) mile of an animal feedlot or manure storage facility not located on the same non farm lot.

Findings of Fact:

An analysis of the four criteria for establishing a Non-Farm parcel is as follows;

(Staff comments are in italics)

1. No more than one non farm lot per quarter-quarter section. Should a quarter-quarter section contain a buildable non farm lot, no additional dwelling shall be permitted.

There are no other Non-Farm parcels/lots in the subject quarter-quarter section. This criterion is met. The existing dwelling (3501 100th St NW) will remain on a 153 +/- acre farm sized parcel.

2. Any non farm lot shall contain at least one (1) acre of non prime agricultural soils with a crop equivalent rating of 55 or less. When a dwelling, which is not a mobile home, existed in its present location prior to April 16, 1983, this standard shall not apply.

The proposed 2+-acre Non-Farm parcel contains at least one acre of non-prime agricultural soils. Staff will not accept a Certificate of Survey that does not meet this requirement. Per the attached soils overlay this criterion is met.

3. No non farm dwelling shall be permitted in areas identified as wetlands or flood plain.

There are not areas of identified wetlands or flood plain on the proposed parcel. This criterion is met.

4. No non farm dwelling shall be located within one-fourth (1/4) mile of an animal feedlot or manure storage facility not located on the same non farm lot.

Olmsted County GIS maps indicate the presence of a feedlot on the property to the south. However, TCPA has confirmed with Olmsted County Feedlot Technician Martin Larsen that the feedlot is retired and not active. This criterion is met.

Analysis and Conclusion:

Analysis:

Zoning: *The request is consistent with the requirements of the A-2 Zoning District and complies with the Standards for Non-Farm Lots or Dwellings.*

Access: *Access to the proposed 2+-acre parcel is from an existing approach on 100th Street NW that serves the existing dwelling on the original 155+ acre parcel and the proposed 2+-acre parcel. The Certificate of Survey makes provisions for a “66’ wide Access & Utility Easement” located over portions of the existing drive that will serve as joint access for both the proposed and original parcels.*

The applicant will need to contact Olmsted County Public Works and work with them as necessary in regard to access to 100th Street NW.

Conclusion:

Staff recommends approval of the proposed parcel subdivision for a Non-Farm lot/dwelling based on the following conditions:

- 1. The applicant provides a survey of the proposed 2+-acre parcel subdivision that meets the Oronoco Township ordinance with regard to lot width, size, access, and soils.*
- 2. The applicant works with Olmsted County Public Works as necessary in regard to access to 100th Street NW.*
- 3. All provisions of the Oronoco Township Zoning Ordinance shall be met.*

TOWNSHIP COOPERATIVE PLANNING ASSOCIATION – ZONING APPROVAL OF METES & BOUNDS SUBDIVISION APPLICATION

You can fill in the fields on this form on your computer or print the form and fill it in by hand.

4111 11th Avenue SW Room 10
Rochester, MN 55902

Fax: (507) 281-6821

TOWNSHIP Oronoco

DATE March 4, 2026

INSTRUCTIONS: complete this application form and return it to the Township Cooperative Planning Association with all required materials and the application fee. The Administrator will review the application for compliance with the Zoning Ordinance. If all requirement(s) of the Zoning Ordinance are met, the application will be forwarded to the Township Board of Supervisors for review at the monthly Town Board meeting. The applicant will be notified of the date and time of the meeting and should attend to answer any questions the Board may have.

After approval by the Town Board of Supervisors, an application will be submitted with the Certificate of Survey to the Olmsted County Planning Department and Public Works for their approval to complete the process. The Applicant will also be required to pay any fees associated with this process.

Legal Description of the property to be subdivided as it exists at the present time:

Return the completed application with accurate site plan identifying the property as it exists and proposed metes and bounds subdivision. Also include on the site plan any existing buildings, wells, septic systems, and other structures and their distances from the propose property line. A Certificate of Survey will be required after approval of the subdivision by the Town Board.

An application fee of \$816.00 is required to process the application. Please submit a check made payable to **TCPA** with this application. It will not be processed until the fee is submitted.

Hi Martin,

Sorry to bother you, but I have an application that is going to the township soon for approval, and we need to know if the feedlot criteria will be an issue or not.

Thanks,

Ethan Kaske

Subject: Is this still an existing feedlot

Hi Martin,

We have an application for a non-farm lot split, but it will fall within the buffer zone for the feedlot on parcel # 842132082455

From the aerial images, it looks like the feedlot might no longer be active. Do you know the status of the feedlot?

Thanks,

Ethan Kaske

CERTIFICATE OF SURVEY

SECTION 21
T. 108 N., R. 14 W.

LAND DESCRIPTION:

That part of the Southwest Quarter of the Northwest Quarter of Section 21, Township 108 North, Range 14 West, Olmsted County, Minnesota, described as follows:

Commencing at the southwest corner of said Southwest Quarter of the Northwest Quarter of Section 21; thence on an assumed bearing of South 89°59'22" East, along the south line of said Southwest Quarter of the Northwest Quarter, 955.85 feet; thence North 00°49'13" East 112.86 feet to the north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159 and to the point of beginning; thence continuing North 00°49'13" East 295.15 feet; thence South 89°10'47" East 350.00 feet; thence South 00°49'13" West 295.17 feet to said north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159; thence North 89°10'47" West, along said north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159, a distance of 291.15 feet; thence North 89°09'30" West, along said north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159, a distance of 58.85 feet to the point of beginning.

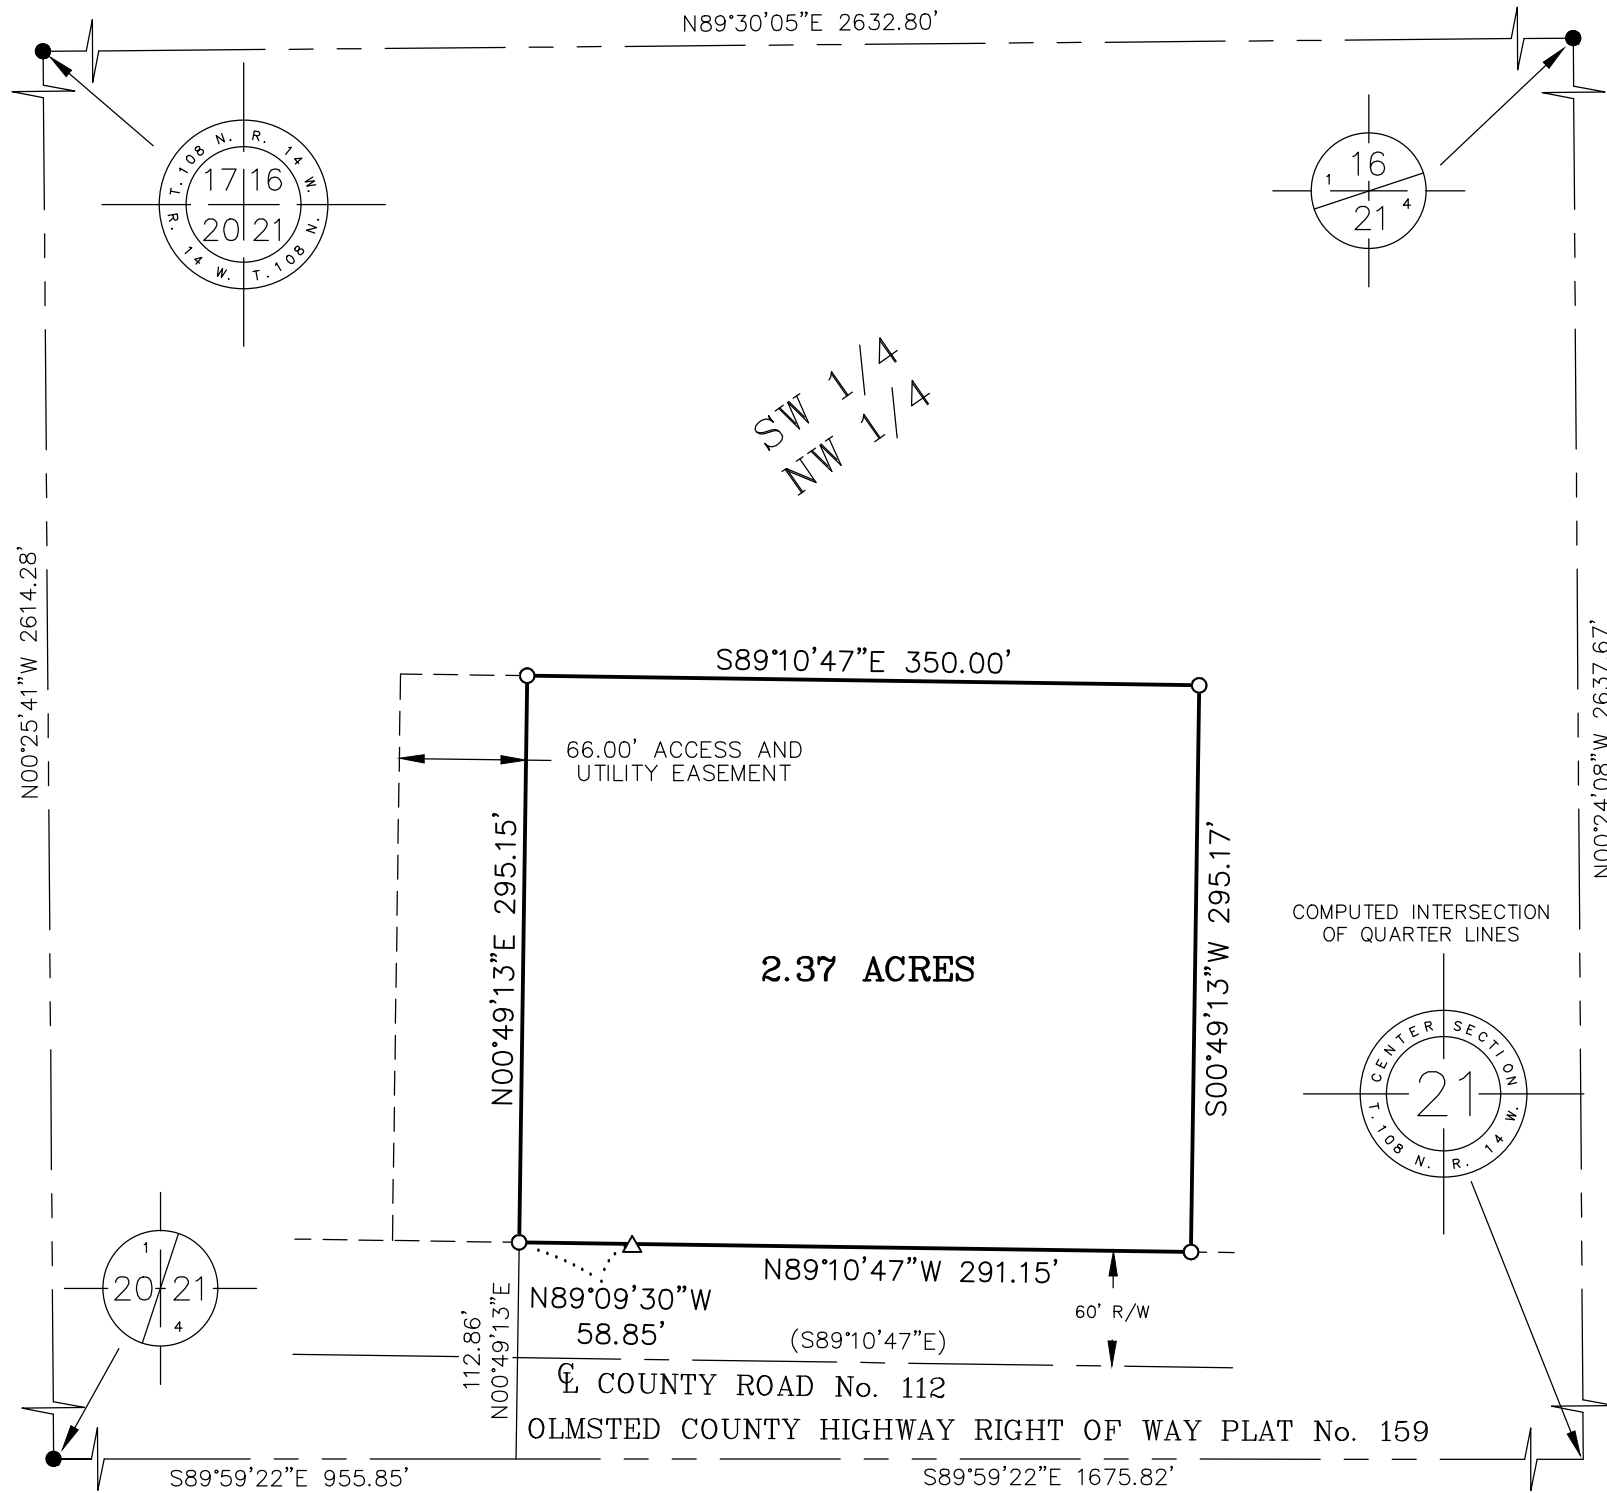

The above described parcel contains 2.37 acres, more or less, and is subject to any easements, covenants, and restrictions of record.

EASEMENT DESCRIPTION:

A perpetual easement for ingress, egress, and utility purposes, over, under, and across that part of the Southwest Quarter of the Northwest Quarter of Section 21, Township 108 North, Range 14 West, Olmsted County, Minnesota, being 66.00 feet in width, lying 66.00 feet westerly of, parallel, adjacent and contiguous to the following described line:

Commencing at the southwest corner of said Southwest Quarter of the Northwest Quarter of Section 21; thence on an assumed bearing of South 89°59'22" East, along the south line of said Southwest Quarter of the Northwest Quarter, 955.85 feet; thence North 00°49'13" East 112.86 feet to the north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159 and to the point of beginning of the line to be described; thence continuing North 00°49'13" East 295.15 feet and there terminating.

The southerly end of said easement shall be prolonged or shortened to begin on the north line of OLMSTED COUNTY HIGHWAY RIGHT OF WAY PLAT NO. 159.
