IMPORTANT MEMBER INFORMATION

Capital credits are one of the benefits of being a People's Energy Cooperative member. Because People's Energy Cooperative is a not-for-profit electric cooperative, revenues remaining after expenses are allocated to members as capital credits. Eligible members will receive their capital credit retirement this month. Retirements of less than \$300 will appear as a credit on your billing statement. Retirements of \$300 or more will be issued by check.

Some former members may have unclaimed capital credits. If you know anyone who was previously a member, please encourage them to visit our website or contact us for more information.

Please detach bottom portion and return with payment.
